

Titanic: The Artifact Exhibition at Union Station

&

Sea Life Aquarium at Crown Center

June 28 (Thu)

This "Underwater Getaway" features two "one of a kinds," a temporary exhibit and a brand new attraction! ***Titanic: the Artifact Exhibition***, which showcases more than 300 artifacts retrieved from *Titanic's* debris field, arrives in Kansas City's Union Station. This latest exhibition has been created with a focus on the *Titanic's* compelling human stories told through authentic artifacts and exacting re-creations of the Ship's interior. Delicate bottles of perfume, china bearing the logo of the White Star Line, and many other objects collected from the wreck site offer poignant connections to lives abruptly ended or forever changed by one of the world's greatest maritime tragedies. Touching on every important aspect of *Titanic's* story-from construction, launching, and life on board to the tragic sinking and dramatic rescue of over 700 people-the Exhibition concludes with the amazing discovery of the ship 73 years after the sinking and the innovative recovery and conservation efforts made over the last 25 years. This 15,000 square foot exhibit offers over 250 original artifacts from the actual wreckage site. Over 100 new artifacts have been added since Union Station hosted the exhibit in 2001! This exhibit commemorates the 100th anniversary. It is here for a limited time only.

Enjoy lunch on your own in one of the many reasonably priced restaurants at the food court in Crown Center. After lunch we visit KC's newest attraction, **Sea Life Aquarium**. Opening in April of 2012, it is the 5th Sea Life Aquarium in the United States! You'll be transported into an amazing underwater world. Come nose to nose with sharks and prepare for astonishingly close views of everything from humble starfish and seahorses to graceful rays. To get any closer you'd have to get wet! Watch more than 5,000 sea creatures, in 30 incredible displays, including a 180-degree tunnel, in 260,000 gallons of water. They have an interactive touch-pool, plus fun talks and feed shows throughout the day. Come and see KC's latest greatest attraction!
