

Ozark Mountain Christmas In Branson

November 06-07 (Sat-Sun)

This weekend Christmas getaway to Branson is filled to the brim with the best of the best for the holiday season! **The Gatlin Brothers and Debby Boone Christmas show** in the Mansion Theatre is our first show. Debby Boone, daughter of Pat Boone, is best-known for her Grammy Award-winning song "You Light Up My Life" from 1977. Imagine her beautiful, sweet voice put to Christmas songs along with the amazing harmony of the Gatlin Brothers. You can bet you'll hear their biggest hits, including "All the Gold in California," "Broken Lady," and "Houston (Means I'm One Day Closer to You)." Numerous other well-known hits by the Gatlins, along with some Christmas tunes will surely make this an amazing show! Join Larry, Steve, Rudy and Debby as they present their spectacular salute to the season. After the show we'll enjoy an included **Ozark pot roast dinner** with the fixin's. The **Andy Williams Christmas Show** is a hallmark of the Branson holiday season. The stage at the Moon River Theater is transformed into a winter wonderland. Andy and his cast of singers and dancers perform many holiday classics. This American Icon is one you don't want to miss! Tonight, after the show, we have one more magnificent stop! On a narrated tram, **The Trail of Lights** is a drive-through animation display that will carry you into the very heart of Christmas. The trail winds its way through the 160-acre Shepherd of the Hills Homestead, and will take you down the famous, "trail that nobody knows how old" into a winter wonderland. You'll travel through a variety of different lands, each with their own theme, from fantasy to patriotic to religious. Life size (and some larger than life) three dimensional characters have their own housing so you can peek in on the fun happening inside! Festive holiday music is themed to each scene. The trail includes millions of multi colored Christmas lights. There are hundreds of gorgeous lighted displays as well as the animated scenes. As the grand finale to the journey, take an elevator ride up 230' to Inspiration Tower for a Santa's eye view of the lights from above. A hot drink will await you in the shop afterwards. The next morning after our included **breakfast**, we visit our last show, "**The Spirit of Christmas.**" This show was the talk of Branson in 2009 and the Branson Variety Theater has brought it back for the holiday season only. Broadway's Spirit of Christmas is one of the most delightful and enchanting Christmas extravaganza's this side of New York. Filled with high energy, dazzling costumes and scenery, high stepping kick lines and amazing singers and dancers makes this a wonderful ending to our Ozark Mountain Christmas tour.
